

# COVID19 Short Version

Your health and safety are our number one priority. If diagnosed with COVID-19, we hope and encourage you to seek the treatment and care that you need and recover quickly. Any information that you provide us moving forward will be useful in understanding the effects of COVID-19 and the culture of living through a pandemic, but please do not let keeping up with these surveys interfere with your care in any way. Feel free to only respond to the study on days that you are feeling up to it.

If you are feeling up to it today, please take a few minutes to fill out this form at your earliest possible convenience, while the information is still fresh in your memory.
