[📷 Create snapshot of instruments]   🎞 VIDEO: How to use this page

Last snapshot: **03/25/2020 2:10pm** [?]

This page allows you to build and customize your data collection instruments one field at a time. You may add new fields or edit existing ones. New fields may be added by clicking the Add Field buttons. You can begin editing an existing field by clicking on the 🖉 **Edit** icon. If you decide that you do not want to keep a field, you can simply delete it by clicking on the ✖ **Delete** icon. To reorder the fields, simply **drag and drop** a field to a different position within the form below.
