[📷 Create snapshot of instruments]   [🎞 VIDEO: How to use this page](...)
Last snapshot: 04/14/2021 1:24pm ?

This page allows you to build and customize your data collection instruments one field at a time. You may add new fields or edit existing ones. New fields may be added by clicking the Add Field buttons. You can begin editing an existing field by clicking on the 🖉 **Edit** icon. If you decide that you do not want to keep a field, you can simply delete it by clicking on the ✖ **Delete** icon. To reorder the fields, simply **drag and drop** a field to a different position within the form below.

Learn how to use [⚡ Smart Variables] [🖉 Piping] [@ Action Tags] [↓ Field embedding]

[◄ Return to list of instruments]   [📑 Survey settings]

Current instrument: **April 18**   [Preview instrument]

🖉 *Variable:* record_id   * This field will NOT be displayed on the survey page.
* You should NOT use identifiers (e.g., MRN, SSN) for the record ID field.

Record ID   [   ]

NOTE: The field above is the record ID field and thus cannot be deleted or moved. It can only be edited.

[Add Field] [Add Matrix of Fields]

🖉 T 🗐 🗋 ✖ *Variable:* subjid_2

Subject ID   [   ]

* must provide value   Provided to you in initial email with link to demographic survey

[Add Field] [Add Matrix of Fields]

🖉 T 🗐 🗋 ✖ *Variable:* todays_date

Today's Date (Click 'Now')

* must provide value   [   ] 📅🕐 [Now] M-D-Y H:M:S

[Add Field] [Add Matrix of Fields]

🖉 ✖

Last Night's Sleep

[Add Field] [Add Matrix of Fields]

🖉 T 🗐 🗋 ✖ *Variable:* instructions

For questions asking about time, please use military time. For assistance, you may open the attachment or copy and paste this link into a new tab: https://bit.ly/2HG8yuk

[Add Field] [Add Matrix of Fields]

🖉 T 🗐 🗋 ✖ *Variable:* sleepdiary_bedtime

What time did you get into bed last night?

* must provide value   [   ] 🕐 [Now] H:M

[Add Field] [Add Matrix of Fields]

🖉 T 🗐 🗋 ✖ *Variable:* sleepdiary_fallasleep

What time did you try to fall asleep last night?

* must provide value   [   ] 🕐 [Now] H:M

Add Field | Add Matrix of Fields

Variable: sleepdiary_sleeplatency

How long did it take you to fall asleep last night (in minutes)?

* must provide value

Add Field | Add Matrix of Fields

Variable: sleepdiary_wakes

Approximately how many times did you wake up during the night last night?

* must provide value

- ○ 0
- ○ 1
- ○ 2
- ○ 3
- ○ 4
- ○ 5 or more times

reset

Add Field | Add Matrix of Fields

Variable: night_awakening_time   *Branching logic:* [sleepdiary_wakes] = '1' or [sleepdiary_wakes] = '2' or [sleepd...

In total, how long were you up during the night due to these awakenings (in minutes)?

* must provide value

Add Field | Add Matrix of Fields

Variable: sleepdiary_waketime

What time did you wake up this morning?

* must provide value

[ ] 🕐 Now H:M

Add Field | Add Matrix of Fields

Variable: sleepdiary_outofbed

What time did you get out of bed this morning?

* must provide value

[ ] 🕐 Now H:M

Add Field | Add Matrix of Fields

Variable: sleepdiary_fellasleep

How easy was it to fall asleep last night?

* must provide value

- ○ It was easy
- ○ It took some time
- ○ It was difficult

reset

Add Field | Add Matrix of Fields

Variable: sleepdiary_dreams

Did you dream last night?

* must provide value

- ○ Yes
- ○ No
- ○ I don't recall

reset

Add Field | Add Matrix of Fields

Variable: sleepdiary_dreamcontent   *Branching logic:* [sleepdiary_dreams] = '1'

Please describe in as much detail as you'd like the content of your dreams last night.

Expand

Add Field | Add Matrix of Fields

Variable: sleepdiary_nap

Did you take a nap yesterday?

* must provide value

- ○ Yes
- ○ No

reset

Add Field | Add Matrix of Fields

Variable: sleepdiary_naptime   *Branching logic:* [sleepdiary_nap] = '1'

How many minutes was your nap yesterday?

* must provide value

Add Field | Add Matrix of Fields

Variable: cst

Were the values reported here influenced/assisted by a sleep tracker of any kind (e.g. Fitbit, Apple Watch, etc)?

○ Yes
○ No

* must provide value

reset

Add Field | Add Matrix of Fields

Variable: sleepdiary_info

Feel free to include any other relevant information about your sleep here, including any disturbances that contributed to you waking up during the night.

Expand

Add Field | Add Matrix of Fields

Yesterday's Activity

Add Field | Add Matrix of Fields

Variable: step_counter

Do you have a step counter?

○ Yes
○ No

* must provide value

reset

Add Field | Add Matrix of Fields

Variable: steps   *Branching logic:* [step_counter] = '1'

If yes, please record the number of steps you took yesterday.

Add Field | Add Matrix of Fields

Variable: leave_house

Did you leave your house yesterday?

○ Yes
○ No

* must provide value

reset

Add Field | Add Matrix of Fields

Variable: visit   *Branching logic:* [leave_house] = '1'

What places did you visit outside of your home yesterday?

* must provide value

Expand

Add Field | Add Matrix of Fields

Variable: people_contact

Outside of the people that you live with, approximately how many people did you come into face-to-face contact with yesterday?

Within "social distance" of 6ft or 2 meters

* must provide value

Add Field | Add Matrix of Fields

Variable: socialize

Did you do anything to socialize virtually or via phone with family or friends?

○ Yes
○ No

* must provide value   reset

Add Field | Add Matrix of Fields

Variable: socialize_min   *Branching logic:* [socialize] = '1'

How much time did you spend socializing virtually or via phone (in minutes)?

* must provide value

Add Field | Add Matrix of Fields

Variable: sleepdiary_exercise

Did you exercise for 20 minutes or more yesteday?

○ No
○ Yes, in the morning
○ Yes, in the afternoon
○ Yes, in the evening

* must provide value   reset

Add Field | Add Matrix of Fields

Variable: alcohol_bev

How many alcoholic beverages did you consume yesterday?

* must provide value

Add Field | Add Matrix of Fields

Coronavirus Status

Add Field | Add Matrix of Fields

Variable: quarantine

Are you in quarantine?

○ Yes
○ No

* must provide value   reset

Add Field | Add Matrix of Fields

Variable: quarantine_days   *Branching logic:* [quarantine] = '1'

How many days have you been in quarantine?

* must provide value

Add Field | Add Matrix of Fields

Variable: fever

Are you experiencing a fever?

○ Yes
○ No

* must provide value   reset

Add Field | Add Matrix of Fields

Matrix group: fever

Variable: feverseverity   *Branching logic:* [fever] = '1'

	Mild			**Moderate**			**Severe**
How severe has your fever been over the last 24 hours?	○	○	○	○	○	○	○

* must provide value   reset

Add Field | Add Matrix of Fields

Variable: fever_temp   *Branching logic:* [fever] = '1'

What was your last recorded temperature?

Add Field | Add Matrix of Fields

Variable: temp_measure   *Branching logic:* [fever] = '1'

Temperature Units

○ Celsius
○ Farenheit

reset

Add Field | Add Matrix of Fields

Variable: respiratory

Are you experiencing any respiratory symptoms?

○ Yes
○ No

* must provide value

reset

e.g. coughing, difficulty breathing

Add Field | Add Matrix of Fields

Variable: respiratory_describe   *Branching logic:* [respiratory] = '1'

If yes, please describe

* must provide value

Expand

Add Field | Add Matrix of Fields

Matrix group: respiratory

Variable: respiratory_severity   *Branching logic:* [respiratory] = '1'

	Mild			**Moderate**			**Severe**
How severe have your respiratory symptoms been over the last 24 hours?	○	○	○	○	○	○	○

* must provide value

reset

Add Field | Add Matrix of Fields

Variable: tested

Have you been tested for COVID-19 (i.e. coronavirus)?

○ Yes
○ No

* must provide value

reset

Add Field | Add Matrix of Fields

Variable: covid_status

Have you been diagnosed with COVID-19 (i.e. coronavirus)?

○ Yes
○ No

* must provide value

reset

Add Field | Add Matrix of Fields

Variable: reminder   *Branching logic:* [fever] = '1' or [respiratory] = '1' or [covid_status] = '1'

As a reminder, for confidentiality purposes we are not tracking your responses in real time, nor are we using your responses to generate any diagnoses. If experiencing any symptoms, please be sure to follow guidelines of medical professionals and seek appropriate treatment as needed.

Add Field | Add Matrix of Fields

LSAS

Add Field | Add Matrix of Fields

Variable: lsas_directions

Read each situation carefully and answer the two following questions about that situation. The first question asks how anxious or fearful you feel in the situation. The second question asks how often you avoid the situation. If you come across a situation that you ordinarily do not experience, imagine "what if you were faced with that situation," and then, rate the degree to which you would fear this hypothetical situation and how often you would tend to avoid it. Please respond to how you would feel about each situation right now, in the moment.

Vaccination Information

Add Field	Add Matrix of Fields

Variable: vaccination

Have you received any doses of COVID-19 vaccine?

* must provide value

○ Yes
○ No

reset

Add Field	Add Matrix of Fields

Variable: vacc_date   *Branching logic:* [vaccination] = '1'

What was the date of your first vaccine dose?

* must provide value

[　　　　] 📅 [Today] M-D-Y

Format: Month/Day/Year

Add Field	Add Matrix of Fields

Variable: vacc_type   *Branching logic:* [vaccination] = '1'

Which vaccine did you receive?

* must provide value

[　　　　　　　　　　]

e.g. Pfizer, Moderna, Johnson & Johnson, AstraZeneca

Add Field	Add Matrix of Fields

Variable: vacc_doses   *Branching logic:* [vaccination] = '1'

How many doses of vaccine have you received to date?

* must provide value

○ 0
○ 1
○ 2

reset

Add Field | Add Matrix of Fields

Variable: vacc_side_effects *Branching logic:* [vaccination] = '1'

Did you have any side effects to any doses of vaccination?

* must provide value

- ○ No
- ○ Yes, mild side effects
- ○ Yes, moderate side effects
- ○ Yes, severe side effects

reset

Add Field | Add Matrix of Fields

Variable: vacc_safety *Branching logic:* [vaccination] = '1'

The vaccine for the new coronavirus (COVID19) is effective in preventing the virus for those individuals who receive the vaccine. However, it is currently unclear whether the COVID19 vaccine prevents vaccinated individuals from spreading the virus to others.

Since being vaccinated, have you continued to take safety precautions regarding COVID19?

* must provide value

- ○ Yes
- ○ No

reset

Add Field | Add Matrix of Fields

Variable: vacc_plan *Branching logic:* [vaccination] = '0'

Do you plan to receive a COVID-19 vaccination when the opportunity arrives?
* must provide value

- ○ Yes
